## Supporters of Problem Gambling Awareness Month

PGAM is a grassroots campaign that depends on the participation of state Affiliates, organizational and individual members, state health agencies, gambling companies, recovery groups and a wide range of healthcare organizations and providers.

2018 is the 14<sup>th</sup> year for this event. Groups across America hold conferences, air Public Service Announcements, provide counselor trainings, host screening days, run social media campaigns and many other activities to increase public awareness of problem gambling and the availability of prevention, treatment & recovery services. In Florida, we are fortunate enough to have the support of a wide array of organizations.
